in vacation in March.

I do hope you come this G. M.

days. Your good

Friy 21 - 1919.

My dears children, S P. M

First of all - How are you all today?  
I was in St. O. - from 2 PM to 8 PM yesterday  
& helped Anna & Louise care for their  
dear little brother. She didn't improve so  
much - we are however looking forward to her  
all day long. Paul & I went up to the  
funeral this P. M. & go with tomorrow for  
Mrs Burton's at 10 - at Madam Rostron's  
They are all so brave - but it is so hard.  
We are glad Olga has given up Nelson, and  
wonder what you think now - since we  
got the news at Duxbury. But I hope  
got good news down & I hope to write  
a real letter Saturday - Shall think  
much of Anna & Louise - Some writing  
go with this to her.

With lots & lots of love to you all  
Yours -  
Mother
